Two additional items on the book. (b)(3) NatSecAct

1. You all are looking at the [redacted] now. Over the weekend, we changed the subtitle of the book from what you have now have to "CIA's Fight Against Terrorism -- From al Qa`ida to ISIS." Please make this part of your review of the jacket cover.

2. Also, over the weekend, we reorganized [redacted] and, in doing so, added a handful (b)(3) NatSecAct sentences. The new version of the chapter is attached. Please note the following: (b)(5)w

--I have indicated where the restructuring starts and where it stops. For about 15 pages of the chapter, there are no changes.

--I have also highlighted the new material. [redacted]

(b)(3) NatSecAct
(b)(5)

The publisher is very anxious to send the final book to the printers -- but we obviously need your clearance on the above. If we could hear from you by tomorrow sometime that would be great.

If there are any sticking points, please check with [redacted] for a final call. I've given him a heads-up (b)(3) CIAAct this. (b)(6)

As always, thanks.

Michael
